Y101PW2020 COURSE CERTIFICATION

With so many leagues making the difficult choice to cancel their 2020 season due to Covid restrictions, we understand that many cheer/dance coaches took the Y101PW2020 Course for certification without having the opportunity to compete. With this in mind, YCADA has outlined the following accommodations for certifications going forward:

- All coaches who took the **Y101PW2019 Course or the Y101PW2020 Course prior to March 1, 2020** must take the Y101PW2021 course that will be launched on or before April 1, 2021.
- All coaches who took the **Y101PW2020 Course between March 1, 2020 and December 31, 2020 and did not have a team that competed this season**, will be eligible to take the (new) Pop Warner Refresher Course for their 2nd year of eligibility in 2022, at no charge. This course will be offered regularly at a cost of \$10 per person. Please check with your LDCs to determine if you are entitled to this course exception.
 - This will ensure all coaches are up to date on any rule changes/clarifications.
 - All coaches who are on this certification track will be required to take the regular Y101PW Course in 2023.
- All coaches who took the **Y101PW2020 Course between March 1, 2020 and December 31, 2020 and did have a team that competed this season**, may take the Pop Warner Refresher Course (\$10), but are not mandated to do so.
