Y101AYC2020 COURSE CERTIFICATION

With AYF/AYC making the difficult choice to cancel the 2020 cheer/dance season due to Covid restrictions, we understand that many coaches took the Y101AYC2020 Course for certification without having the opportunity to compete. With this in mind, YCADA has outlined the following accommodations for certifications going forward:

- All coaches who took the **Y101AYC2020 Course between March 1, 2020 and December 31, 2020** and **who would normally be required to take the AYC Speed Course (\$15)**, will receive a link to the Speed Course but are NOT required to take it for this upcoming season.

Anyone with questions can email support@ycada.org for assistance.
